Get a Food Handlers Permit

Who needs to obtain a food handlers permit? Anyone working in the food industry, whether you’re a dishwasher or server, you need this permit. The Food Handlers class teaches basic food handling skills, temperature control for food items, cross contamination, and personal hygiene when handling food. The Bear River Health Department also offers the food handlers class online.

Online Food Handlers Class

The Food Handlers training class may be taken online . After completing the course online you will need to go to the Bear River Health Department to take the test and receive your permit. Testing can be during regular Health Department hours at the following locations:
